

Jil Chambless, John Taylor, & Scooter Muse
Live @ NTIF
2016

Recorded live at the 2016 Nort Texas Irish Festival, where we played as the Ed Miller Band without Ed when Ed got sick and lost his voice. Unknown to us at the time, two of our sets were recorded by the sound engineer, and on the second of those sets (tracks 9-16) Wolf Loescher joined us on percussion. This album, then, is an unintended recording of a good time had by all.
